EDUCATION	University of Washington <i>Ph.D. in Economics</i> <i>M.A. in Economics</i> University of Oregon <i>M.S. in Economics</i> <i>B.S. in Economics with Departmental Honors</i> <i>Minor in Mathematics</i> <i>Awards: Summa Cum Laude, Phi Beta Kappa</i>	Seattle, WA <i>Expected: June 2027</i> <i>December 2024</i> Eugene, OR <i>June 2022</i> <i>June 2021</i>
FIELDS	Development Economics, Applied Microeconomics, Causal Inference, Financial Economics	
SKILLS	Technical Skills: Difference-in Differences, Regression Discontinuity, Synthetic Diff-in-Diffs, RCT, Principal Agent Analysis Programming: R, Python, SQL, Stata, L ^A T _E X, Matlab, Mathematica, BASH	
ACADEMIC RESEARCH EXPERIENCE	University of Washington <i>Graduate Research Assistant to Jason Kerwin</i> • Designed, tested, and implemented novel research ideas using advanced statistical techniques and complex simulations. • Created high quality grant applications securing \$750,000 in research funding from multiple sources. • Coordinated and oversaw large scale data collection team of dozens of members to create new, high quality data sets. • Collaborated with member of research team to devise and implement long-term research strategies and projects. • Presented and communicated research findings to key organization stakeholders, and external funders. University of Washington, Nigeria <i>Graduate Research Assistant to Isabelle Cohen</i> • Designed and implemented high frequency checks to ensure data fidelity during large data collection efforts. • Designed and developed publication quality data visualizations to support administrative decision making. • Collaborated with administration in devising and implementing long-term strategy. • Presented and communicated complex statistical ideas and findings to key stakeholders without statistical background. Sonoma State University <i>Research Assistant to Michelle Jolly</i> • Designed and implemented regression discontinuity study design using R. • Managed, cleaned, and analyzed large administrative databases. • Created documents to pass IRB review process.	Seattle, WA May 2024 - Present Seattle, WA Jan 2025 - Present Sonoma, CA June 2023 - Present

- Analyzed teaching evaluation data using sentiment analysis tools.
- Documented and presented evidence of biased evaluations leading to university-wide teaching evaluation changes.

EXTERNAL
GRANTS
(\$707,901)

J-PAL Learning for All Initiative (LAI)

\$400,000

- “Integrating Educational Technology with Structured Pedagogy to Improve Learning Outcomes for Every Student” (with Jason Kerwin, Simon Graffy, Monica Lambon-Quayefio)

IPPA Partnerships for Tech in Education (P4T-ed)

\$295,901

- “Integrating Educational Technology with Structured Pedagogy to Improve Learning Outcomes for Every Student” (with Jason Kerwin, Simon Graffy, Monica Lambon-Quayefio)

CEGA Development Economics Challenge Grant

\$12,000

- “Turning Parents into Learning Partners: Testing the Complementarity Between Home and School Investments in Ghana.”

WORKING
PAPERS

How to Build a Reader: Evidence from a Scalable Literacy Intervention in Ghana

SELECTED WORK
IN PROGRESS

Turning Parents into Learning Partners: Testing the Complementarity Between Home and School Investments in Ghana

Why Cluster at all? Randomization Inference Correction to Incorrect Rejection Rates with Small Clusters

To Drop out or Not to Drop out: Local Economics Conditions and College Students’ Dropout Decisions

INVITED
PRESENTATIONS
(INCLUDING
SCHEDULED)

2026

Comparative & International Education Society (CIES)

2025

Inspiring Teachers; Gates Foundation Global Education; Prevail Fund

TEACHING
EXPERIENCE

Instructor

University of Washington Department of Economics

- Intermediate Microeconomics
- Introduction to Microeconomics
- Introduction to Macroeconomics

Teaching Assistant

University of Washington Department of Economics

- Introduction to Macroeconomics

Tutoring

Universities of Washington & Oregon Departments of Economics

- Various: from introductory to advanced empirical and theoretical classes.

TA Coordinator

University of Washington Department of Economics

- Introduction to Microeconomics and Macroeconomics

DEPARTMENT	<i>PhD Student Committee</i>	2022 - Present
